ELIGIBLE BREEDS & REGISTRY

Open to all dogs at least 12 months of age that are individually registered with the AKC, recorded in the FSS program, dogs with PAL numbers or dogs enrolled in the AKC Canine Partners program. Females in season may not enter. A dog may enter only once per event. (An event is defined by an event number.) Dogs requiring registry in Canine Partners must be spayed or neutered and are subject to a separate registration fee of \$35.00 to the AKC.

RUNNING THE COURSE

Each dog runs by itself and only one time in each testing event. They chase lures made of plastic bags that by string and pulleys follow a course in the field.

Any entered dog that is less than 12-inches tall at the withers or brachycephalic (i.e. “flat-faced”, such as a bulldog) will run a clearly marked 300-yard course, which must be completed in 90 seconds. Any entered dog that is more than 12-inches tall at the withers and not brachycephalic will run a clearly marked 600-yard course, which must be completed in 2 minutes. If there is a question as to which course a dog should run, the judge will decide. If your dog is 7-years of age or older, you may declare your dog a “veteran” prior to the start of its course and your dog will be allowed to run two-thirds of the normal distance. The Hunt Master is responsible for field safety and therefore is in complete charge of the dog and handler on the field. In service to this responsibility, the Hunt Master has the authority to stop the lure at any potentially dangerous situation and signal the handler to retrieve their dog. The handler should retrieve their dog promptly at the end of the course. Listen to the Hunt Master and follow their instructions promptly and swiftly.

The Coursing Ability Test (CAT) is a pass/fail test. In order to pass, the dog must chase the plastic lure and complete the course one time, by itself, with enthusiasm and without interruption, within the allotted amount of time. The judge keeps the official time and decides the merits of the dog’s performance. A dog that relieves itself on the course will fail the test.

Any decision made by the event’s officiating Judge regarding the performance of an entered dog shall be final. Full discretionary power is given to the Judge to withhold a qualification for lack of merit. The Judge is responsible for ensuring compliance with the AKC Regulations on the field.

For the safety of the dog and as a courtesy to other exhibitors, your dog should have a reliable recall. Dogs that delay the event because they cannot be recalled may be refused entry at future events.

Area of the course is fenced.

All dogs run at owners’ sole risk. The hosting club and property owner, their agents, member, representatives, volunteers, etc. assume no responsibility for any loss, damage, or injury sustained by exhibitors and handler or to any of their dogs or property and further assumes no responsibility for injury to children or spectators before, during, or after this event
